

CHRISTMAS CAMPAIGN 2025

A CHRISTMAS TO REMEMBER...

Last Christmas, with the generosity of our friends and partners, Chopan Trust celebrated the season with 1,500 children from poor families, villages, slums, and brick kilns. Each child received a warm sweater & Lunch — a small act that brought joy, comfort, and love into their hearts.

Their laughter, their shining eyes, and their tiny hands holding those gifts reminded us that Christmas is not about

what we receive, but what we share

THIS YEAR... A DIFFERENT KIND OF CRY

Recently, while visiting schools to distribute Bible books, our team met the same children again. But this time, they asked with innocent hope,

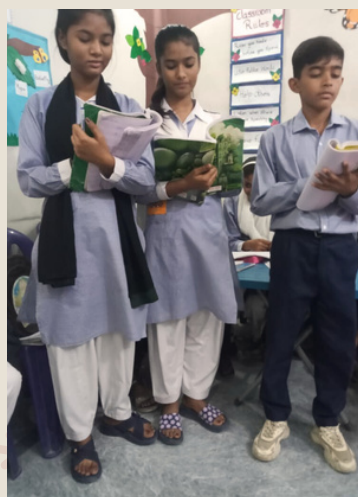

“IS THERE A GIFT FOR US THIS CHRISTMAS TOO?”

Their question pierced our hearts. As we looked around, we saw the truth — many children came to school barefoot, some wearing torn shoes, others carrying worn-out bags barely holding their books. They come every morning with courage and faith, walking on cold roads with bare feet, determined to learn, despite the hardships that no child should face.

A SIMPLE GIFT THAT BRINGS DIGNITY

This Christmas, we want to gift every child a pair of school shoes and a new school bag — not just to keep their feet warm, but to help them walk with dignity and carry their dreams with pride.

A pair of shoes may seem small, but to these children, it means belonging, self-respect, and comfort. It means feeling loved at Christmas.
